EMERGENCY PLANNING

February 2024

1. INTRODUCTION

The aim of this Emergency Planning document is to increase resilience within our local community by providing residents with up-to-date information and contacts in the event of an emergency. It should be read in conjunction with 'Floods - Impact and Action' on the Parish Council website. This provides information on the 'Impact of flooding on residents' and advice on what to do before, during and after flooding in the 'Flooding leaflet for residents'.

Emergency response structures are already established by the emergency services, Warwickshire County Council (WCC) and Rugby Borough Council (RBC), but knowing what preparations can be made and who to contact in the event of an emergency is also important.

Contact numbers can be found in this section and in Appendix 1. The roles and responsibilities of the emergency services, WCC and RBC are outlined in Appendix 2.

2. EMERGENCIES and RISK ASSESSMENT

Definition of an emergency

An emergency/major incident is any event or circumstance (happening with or without warning) that causes or threatens injury or death, disruption to the community, or damage to property or to the environment on such a scale that the effect cannot be dealt with by the emergency services, local authorities and other organisations as part of their normal day-to-day activities.

Possible Emergencies and Risk Assessment

Type of emergency	Potential risks
Significant disruption to mains power services (gas or electricity failure) Failure of whole or part of the UK's national electricity transmission network. Damage to gas pipeline or other failure of gas supply.	Residents with no access to power for a prolonged period of time. Residents reliant on electricity or gas for heating and cooking will require support. Cold is a threat to vulnerable people. Knock on effect to communication systems - see below.
Significant disruption to communications infrastructure Damage to telecommunications and/or internet services.	Telephones and/or internet access lost or very sporadic. Mobile phone reception is very poor so few forms of communication are available. Difficult to contact emergency services.
Flooding of homes and/or roads.	Homes flooded. Potential disruption to the power supply and communication infrastructure – see above. Potential contamination of water supply. Potential disruption to transport.

Adverse weather e.g. storms, very high winds, prolonged periods of very cold or hot weather.	Significant damage to property causing hazard. Health problems associated with extreme heat or cold. Disruption to power supply and/or communication infrastructure – (see above) Potential risk to life, if power cables are brought down.
Loss or contamination of water supply	Residents have no drinking/washing water. Toilets cannot be used.
Fire	Damage to property and threat to life.
Accidents or incidents in the travel network	Traffic accidents on the A45 or roads in the village causing injury or death. Accidents involving other types of transport e.g. canal boats, aircraft.
Other emergencies Infectious disease (humans and animals). Food chain contamination. Disrupted fuel supply.	Danger to health. Unable to travel, go to work, obtain supplies.

3. ADVANCE PREPARATION BY RESIDENTS

All residents should be aware of how to prepare themselves in advance by accessing the following information.

- Western Power Priority Services Register for vulnerable people
[National Grid - Priority services](#)
- Coventry, Solihull and Warwickshire Councils' Home Emergency Plan
[HOME EMERGENCY PLAN](#)
- Ofcom - Advice on Phones
[Will your landline telephone work during a power cut? - Ofcom](#)

As part of community support, it is hoped that those who do not or cannot use the internet will be informed and supported by family members, neighbours and friends to access the information above.

4. IN THE EVENT OF AN EMERGENCY

REMEMBER, ALWAYS STAY SAFE.

In an immediate emergency or where there is a risk to life, call 999.

As necessary, Parish Councillors will liaise with emergency services and consult with Rugby Borough Council. They will then follow the advice given. (Contact details for Councillors are in Appendix 1. on page 4.)

5. EMERGENCY CENTRES/PLACES OF SAFETY

Borough and district councils are responsible for setting up a central rest centre during an emergency. However, it may be necessary to set up a temporary place of safety within the community e.g. for visitors or for people evacuated from their homes.

In our community, the main emergency centre and place of safety will be **Willoughby Village Hall**

Contacts: Joss Ray - 01788 891317 (Keyholder)
Bert Ogle - 01788 890498 (Keyholder)
Karen Skipp - 01788 890525 (Booking Secretary - Can advise security code for keysafe)

In the event that it is required, the centre would be administered by the Parish Council in conjunction with the Village Hall Management Committee.

A secondary centre will be **St Nicholas' Church**

Contacts: Karen Nichols, Churchwarden - 07866 572209
Andrea Hughes - 01788 891313

6. REVIEW AND UPDATE

- Assist the populace where a need is identified and the use of Fire Service personnel and equipment is relevant
- Tackle fires or chemicals which have been spilt and other dangerous situations
- Make sure all personnel involved in the rescue work are safe
- Gather information and carry out hazard assessments
- Help ambulance service get live casualties away from the scene
- Help Police recover bodies
- Restore stability with the aim of restoring normality

THE ROLE OF THE AMBULANCE SERVICE

Phone 999 for an emergency or Warwickshire Ambulance Service (01926 881331)

- Inform other emergency services about the incident
- Provide a focal point for all medical resources
- Identify and contact the appropriate receiving hospitals
- Set up a casualty clearing station
- Prioritise casualties so that their injuries can be treated
- Prioritise which casualties must be evacuated using appropriate transport
- Restore stability with the aim of restoring normality

THE ROLE OF THE ENVIRONMENT AGENCY

24 hour public line (0800 807060) or Floodline (0845 988 1188)

- Issue Flood Warnings
- Receive and record details of flooding incidents
- Monitor the situation and advise other organisations
- Deal with emergency repairs and blockages on main rivers, adopted critical watercourses and their own structures
- Respond to pollution incidents
- Advise on waste disposal issues

**THE ROLE OF WARWICKSHIRE COUNTY COUNCIL
(01926 410410)**

- Coordinate emergency arrangements and voluntary agency support
- Support the emergency services and district/borough councils.
- Help people in distress e.g. through the provision of a trauma support service.
- Maintain safe conditions on the roads excluding those managed by the Highways Agency or private roads
- Put flood warning signs on the highway
- Organise road closures and traffic diversions
- Clear blockages on highway drainage systems
- Clear roadside gullies
- May take action to protect property from flooding by water from the highway where there is a failure of the highway drainage system

**THE ROLE OF RUGBY BOROUGH COUNCIL
(01788 533533)**

- Co-ordinating role for emergencies in their own area as a key responder under the Civil Contingencies Act 2004
- Support emergency services
- Initiate emergency accommodation plan
- Emergency assistance e.g. provision of sandbags, emergency accommodation, feeding
- Clear blocked ordinary watercourses NB. The arterial watercourses through Willoughby are largely maintained (managed by the Environment Agency)
- Provide environmental advice, street cleaning and so on.
- Environmental health issues - pollution and public health issues
- Blocked road channels and gullies due to litter and leaf fall
- Warn and inform the public regarding emergencies
- Emergency planning support to the Parish Council

**THE ROLE OF WILLOUGHBY PARISH COUNCIL
(07855 325314 – Maggie Beech, Chair)**

- Assist Rugby Borough Council to warn and inform the public regarding emergencies at local level
- Pass information regarding local issues and needs to key responders via the Borough Council
- Administer the emergency place of safety at the Village Hall in conjunction with the Management Committee
- Establishment of a Flood Action Group (FLAG)
- Publishing of information about the impact of flooding in Willoughby and measures to take should serious flooding occur
- Flood warning dissemination (by local agreement with the Environment Agency)
- Appointment of 'flood wardens' for local areas prone to flooding
- Identification of vulnerable groups – e.g. elderly or disabled - who may need support

**THE ROLE OF SEVERN TRENT WATER
(0800 783 4444)**

- Emergency over pumping or tankering at sewage pumping stations

BT (British Telecom) - (0800 800 150) 24 hours

- Attend to emergencies relating to their service at properties putting life at risk as a result of flooding
- Attend to flooding emergencies at their own serviced installations

TEMPORARY ACCOMMODATION (REST CENTRES) (In the event of people being made homeless or needing shelter)

The borough/district councils in Warwickshire have responsibility for opening and managing rest centres, supported by Warwickshire County Council's Services for Families and voluntary organisations. Rugby Rugby Borough Council (or its agent) will arrange transport to take evacuees to a rest centre where they will be given practical and emotional support.

The local Primary Care Trust will provide medical support and access to pharmacy services.

Warwickshire County Council's Child Protection Unit will support Rugby Borough Council and assist with arranging transport for evacuees to rest centres as required. While at the rest centre, the police and local authorities will gather specific information, which will be recorded on rest centre registration forms. Social Services (Services for Families) are responsible for making sure that this process is carried out and that an initial assessment of each individual is made to identify any extra support that may be needed. The police will either fax or take the forms to the Casualty Bureau, if invoked, to be processed. In Willoughby, the following premises may be used as rest centres: the Village Hall, Main Street and St Nicholas' Church, Brooks Close.

THE ROLE OF THE POLICE CASUALTY BUREAU

Often during major incidents the police will set up a Casualty Bureau to specifically deal with missing persons, survivors, evacuees and witnesses involved, or believed to have been involved, in the incident. It is not a general information bureau and is designed to register information and details rather than provide general information on an incident.

The police will provide a number of telephone lines, but depending on the volume of calls, you may experience a delay in getting through. Make a note of the reference number given and quote this when speaking to staff at the Casualty Bureau.

When casualties or survivors are identified, the enquirer is told as soon as practicable following their call, but bear in mind that this can take a while. If you have contacted the Casualty Bureau number to report a missing person and then subsequently locate them, make sure that you call the Casualty Bureau back to let them know. This will allow the police and other organisations to focus on finding those people that are still missing. The Casualty Bureau telephone number will be different for every incident. If one has been established, the number will appear on the homepage of its website; it will also be broadcast on news bulletins.
