

Steering Group Meeting on 8 April 2019

This meeting has been cancelled as it is not considered necessary at this point in the neighbourhood planning process.

The Neighbourhood Development Plan (NDP) is being revised following the Regulation 14 consultation. On 9 April 2019, the Parish Council will be asked for their approval to submit the plan to Rugby Borough Council for the formal Regulation 16 public consultation.

Once the NDP has been submitted, it is the Council's responsibility to carry out the consultation. In the meantime, there is little more that the Steering Group needs to do.
