There was a 43% uptake to the Questionnaire which indicated that Villagers wished that a Committee be formed from Villagers to prepare a Neighbourhood Plan and apply for funding.

- Parish Council had held a meeting with RBC regarding objections to the Local Plan during 2017. Eventually the minutes of this meeting were received after much prompting and the Council has advised RBC that the minutes were not in keeping with the Parish Council's recollection of the meeting.
- Regrettably Lodge Farm Development has been retained in the Rugby Local Plan despite the efforts of RBC Councillor Crane and the numerous objection letters sent in by the public. This would now go to the Secretary of State for approval so that the Secretary of State could make amendments or send the Plan back to RBC for reconsideration.
