

Issues and Options Consultation - Progress Report

The Steering Group wishes to thank everyone who completed the Summary & Questionnaire for this informal consultation. We really appreciate the time you have taken to give us your views.

Questionnaires

In total, **202** paper questionnaires were distributed and **112** questionnaires were returned. This was a great response.

Next Steps

We are now working with our planning consultant to consider everything you have told us and to write the First Draft Neighbourhood Plan for Willoughby Parish.

Our next report to you will respond to what you have said and contain revisions we have made to the policy options and the text in the Issues and Options documents. We hope to have this next report ready for you by the second half of July.

Homes Needed

In the 112 questionnaires returned, 27 people (24%) said Yes to the question 'Do you or someone in your household want to move into or within Willoughby in the next 10 - 15 years?' The main trends identified were for Housing for first time buyers (1-2 bedrooms) and Housing for older people (1-2 bedrooms).

More information from you will help to clarify the need for these types of housing. **If you answered Yes to the question**, please complete the table on the back of this report and post it in one of the letterboxes listed **by the end of Sunday, 24 June 2018**.

Thank you.
